Horseshoe Bay, Texas - April 4, 2007 - Horseshoe Bay Resort is pleased to announce that The Hiller Group, Inc. (Tampa, FL) again recognized the Resort for a "100% clean review" of the Jet Center fueling operation. The FBO review was conducted by Chevron and this recognition marks the sixth consecutive year that the Horseshoe Bay Resort Jet Center has earned this accolade for the integrity of the fueling operation.

Dick Bryant, product integrity manager for The Hiller Group, Inc. wrote, "Not many FBO operators can say they have received such excellent reviews, much less have received them for six years in a row."
