

transportation

The in-house Horseshoe Bay Resort Transportation Department offers groups ground transportation options to and from the Austin-Bergstrom International Airport and the San Antonio International Airport.

Group transfer pricing is available for groups with 20 or more same day airport transfer reservations. So that guests may be grouped together where possible, Horseshoe Bay Resort Transportation requires that the individual ground transfer reservations, including flight information, be submitted by a manifest list a minimum of 5 working days in advance of the scheduled arrival, with the final manifest submitted 72 hours prior to the scheduled arrival.

Meet-and-Greet services are available through Horseshoe Bay Resort Transportation. This service allows Horseshoe Bay Resort Transportation to track your guests' flights, assist with luggage and monitor any developing situations. Use of the hospitality desk at the airport for guests to check-in and relax before their vehicle arrives is also included.

Please note that the Horseshoe Bay Resort Transportation Department operates from 6am-11pm daily with advance reservations. Airport transfer requests outside of this timeframe may be handled by a Horseshoe Bay Resort Transportation Department affiliate and are subject to higher rates. Call for rates for groups with less than 20 same day transfer reservations.
